

ABSS Performance Blast Pot

ABS-174 Contractor

In the competitive world of today's industry, economical surface finishing is important. At ABSS we are proud to say that our range of Performance Blast Pots are made right here in Australia. Manufactured to the Australian Standards AS 1210 you can be assured of the highest quality.

NEW to the Blast Pot range, the *ABS-174 Contractor* Blast Pot brings back a genuine 600 pounder. The *ABS-174 Contractor* has a capacity of 174 litres (400kgs Garnet Media) and is ideal for the serious on-site Blaster.

Designed to suit a variety of Blast Media, the *ABS-174 Contractor* is suitable for most blast jobs whether it is blasting the hull of a Ship or removing old coatings from Steel Structures.

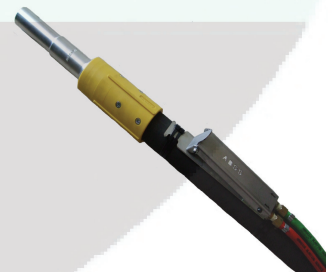

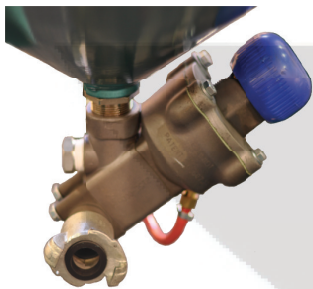

Made in Australia
